### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Jenna Morrison on June 17, 2005.

The application has been amended as follows: in claim 29, line 1, the word, fluorobenzene, has been replaced by the phrase, "a fluorinated aromatic or chlorofluoro aromatic compound".

In claim 38, line 2, the word, chloroaromatic, has been replaced by "chlorofluoro aromatic".

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' amendment filed April 13, 2005 and the remarks/arguments therein. Applicants in their arguments directed the examiner's attention to tables 1, 2, 3 and 6 of the instant specification, which show unexpectedly higher results, i.e., yield and conversion of fluoroaromatic compounds at the same or lower temperatures than taught by the closest prior art of record, namely, U.S. 6,166,273 and U.S. 6,087,543 to Subramanian, when employing the supported fluorinating agents of the instant

invention. In light of these unexpected results, the examiner has withdrawn the rejection of record; the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann Richter can be reached on 571-272-0646. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
